

# Discover Passaic County

## Paterson Great Falls National Park

### Mill Mile

Walk along the notorious Mill Mile tour around the Paterson Great Falls. Visit 10 significant sites that are crucial to the development of American History. Learn about the first hydro-powered system in the country, along with historical events, discoveries, and movements that have taken place around the area.

There is no need to wait for tour guide, for this is a self- guided tour. Grab a brochure at the visitor center or download the Paterson Great Falls NHP app. The app comes with an audio tour and map which helps you go from location to location. The whole tour takes about an hour, but do not let stop you, take as long as you need at each site. Enjoy the rich history and natural beauty that Paterson Great Falls have to offer.

### Grab a Bite

Find great spots to dine in Paterson.

### There's an App for that

The app can be downloaded via iTunes or Google Play for a variety of apple and android users. If your device is not compatible, you can access the audio tour by dialing 973-582-0654, just enter sign number followed by the # sign for each stop.

Guided tours are available from the National Park Service.
